

BOULEVARD MANOR BULLETIN

WE DID IT!

Your editor is pleased to report that the previous president was finally ousted from office at the recent meeting of the Association. Informed sources report that the coup was bloodless. In addition the new administration gives promise that it is more likely to remain home long enough to deal with some of the pressing internal problems.

The new administration is headed by Mr. Jay Constantz of 561 North Livingston. Mr. Constantz (whose **only** mistake thus far was to reappoint the incumbent p. r. man) earned the gratitude of the Association for his able leadership of the Zoning Committee during last year's tiff over the Kern tract.

The latest news on that score, incidentally, is that the builders plan to take their case against the County Board to court in March. This is one fight that we can plan to spectate. If the courts overrule the County Board on this one, the case would place in jeopardy all existing zoning procedures.

Mr. Constantz has already surrounded himself with some able volunteers for the year ahead. However, the Association cannot function on goodwill alone. Members are needed. Your editor hopes that you will give the new administration the same fine support that you did last year.

Membership Drive

Mrs. Knutson has agreed to serve again as membership chairman. She has already recruited an excellent group of block captains. However, we do need one more volunteer for the 5800 block of North 1st Street and for the area including North 8th Street and Wilson Boulevard. We hope that volunteers will call her so that we can get this task over with in a short time. The Association is only as effective as its members will make it. Mrs. Knutson may be reached by calling JA 7-2325.

There will be a meeting next Wednesday night at 8:00 P.M. of block captains at the Knutson home at 6045 North 6th Street. The following persons have volunteered to cover the following areas:
